EXPERIENCE NOTHING BUT THE BEST!

Chef Gerard is a classically trained chef in Regional Italian Cuisine. Honing his skills in restaurants across Italy and the Washington, D.C. area, he learned everything from baking to classic Italian desserts. He'll prepare it all in your kitchen while you enjoy a cold beverage with your guests.

The Experience:

We want you and your guests to have a relaxing evening, so we'll take care of the entire dining experience. Using the equipment in your kitchen, Chef Gerard Solazzo will bring the food, the cooking expertise and even a wait staff. It's like going to a restaurant without waiting in line or leaving your home. If anyone is interested in watching the meal come together, we encourage them to join us in the kitchen. We can talk you through the process. When it's time to eat, we'll serve you, clear the tables and even do the dishes. Can you think of a more relaxing evening?

Chef Gerard will work with you to develop a menu that everyone will enjoy. You may choose either an Italian dinner that will typically consist of five courses: Antipasti / Salad / Pasta / Entree / Dessert or you can choose to have a Pizza Party. You may order up to 25 pizzas and choose 4 different varieties. Vodka provided by Scotty's Vodka.
